**RECEIVE YOUR NEWSLETTER VIA PRINT OR E-MAIL**

Approximately 2/3 of our mailing list has chosen to receive their quarterly newsletter by e-mail. We’ve heard that the newsletter is easier to read, and that those who want to read it on paper print it.

If you would like to receive future newsletters by email, send us your address to: cshs@sierrahistorical.org. Enter “Newsletter” in the subject line.

In addition to receiving your newsletter in advance of those through the mail, you are saving the Historical Society many dollars in printing and shipping costs. Thank you for that.
19th ANNUAL BLACKPOT COOK-OFF
Submitted by: Heather McDonald Sullivan, CSHS Blackpot Coordinator, Shaver Lake Fishing Club

Once again, the High Sierra Black Pot event hosted by the Shaver Lake Fishing Club on August 5th, 2017 was a huge success! This year’s event brought in approx. $31,000 for the Historical Society’s Building and Exhibit Fund. Thank you to all who attended this year’s event making it a sellout and a success.

This event would not happen without the time and effort of the members of the Shaver Lake Fishing Club, as well as Sue Johnson and the High Sierra Blackpot Cookers, Steve Gillett and fellow musicians and Steve and Michelle McDonald. Thank you for all your hard work and dedication to making this event a success year after year.

Thank you to all who contributed to this year’s event, whether it was money, time or items. A special thanks to the following individuals, organizations and businesses for their donations.

Odds & Ends Creations
Dear Friends,

I believe you will find in this newsletter evidence to what a great summer we have had here at the museum. At the time of this writing in early November we have had over 10,600 visitors to the museum, our busiest season to date! This is a testament to the hard work of our amazing volunteers, staff, members, and donors that help keep us moving forward.

Our programs saw record attendance, memberships continue to grow, and we are furthering our outreach to schools and organizations throughout the Central Valley. Our cell phone app launched to rave reviews and we look forward to updating the content to include the nature trail and Hayden Sawmill upon completion.

We are excited to announce we have received funding from the Institute of Museums and Library Services for a $25,000 grant to help fund the adult public policy series of workshops focusing on wildfire next fall. This program, along with our Museum Assessment Program grant through the American Alliance of Museums, are propelling our organization forward and will help us to move toward accreditation.

As we prepare for winter we are preparing to stay busy with work on our assessment, new funding proposals, and preparing our programming for another great season next year. Thank you to all of you for your continued support of the Central Sierra Historical Society, exciting times are ahead, and I am thrilled you are along for the ride!

Thank you,
Lisa Crain

CHILDREN’S CHRISTMAS CRAFTS AT THE MUSEUM!

Once again, v.e.s.t. members are coordinating children’s Christmas crafts at the museum. From 11:00 to 2:00 on Saturday, November 25 we will be helping children decorate pinecones with peanut butter and seed, making paper garlands and a new craft using paper construction Christmas trees.

Crafters will have the option of decorating the museum tree or taking their crafts home with them. All supplies are furnished. This is fun for the whole family, there isn’t an age limit! We hope to see you there.

PRESERVE CENTRAL SIERRA HISTORY – BECOME A MEMBER!

Become a MEMBER of the Central Sierra Historical Society & Museum and explore our unique cultural history.

Your membership helps to preserve the museum collection, to maintain and improve the museum and its exhibits, and to provide our community with educational programs, exhibitions and engaging social activities.
PARTNERSHIP IN EDUCATION PROGRAM

By Nettie Carroll, PEP Facilitator

Do you know the best place in a room to go when you’re cold?
Why, the corner of course! It’s always 90 degrees. 😊 (Thanks Google)

What a wonderful, busy, fun few months we have had! Toward the end of July, we got the PEP closet cleaned out and stocked with hard hats, safety glasses, microscopes, flume kits, clipboards, oh my! Mr. Koerper of Koerper Construction made and installed beautiful, sturdy shelves for us, and what a help they have been!

With the privilege of hosting students near and far, we seek to open fresh eyes to the many career options available in the various realms of forestry, local history and culture, electricity, water, and the like. As the museum is an educational facility, we continue to build partnerships that draw on the expertise of professionals, American Indian tribes, and educators to create dynamic curriculum and learning experiences for K-12 students. We welcome volunteers who have a desire to take part in our educational endeavors as we guide students in discovery of historical treasure as well as becoming intrigued by scientific ideologies that were pertinent in early history and just as pertinent today. It’s incredible what students become interested in outside of the classroom, and how those interests complement classroom learning!

We had a great couple of days with sixth graders from John Sutter Middle School of Fowler in October. They explored with microscopes, built model flumes, were introduced to the Pelton Wheel and its role in hydro generation, hiked through the Shaver Lake forest to arrive at the beautiful serenity of the lake, had their socks knocked off in an interactive physics station, and had some fun with teambuilding. For some students it was their first trip to the mountains! We hope to welcome them again next year as they were a delightful group.

Fourth and fifth graders from Mrs. Kilcrease’s class at Big Creek Elementary spent an afternoon trying their hands at processing acorns as the early Mono and Miwok tribes did in the area. We were honored with a visit from Mr. Gavin Begaye who brought many cultural artifacts and items for students to discover and told them of the old Mono Pass and Piute Pass trading trails that he and many local tribes have used and continue to use. An insightful tribal member indeed, Mr. Begaye’s experience, stories, and historical knowledge have incalculable value.

Mr. Barton, 6-8th grade teacher at Pine Ridge School, along with Mr. Taylor and Ms. McCandless, brought all three grades to the museum for a workshop in flume history, engineering, and collaboration in design and execution of a model flume that would transport lumber from Shaver Lake to Clovis. The students formed four teams, constructed their designs, measured and scaled, and presented to the entire group their final product. Everyone especially enjoyed when we connected a water pump!

I want to send out a huge “THANK YOU!” to all of you who have given your support and graciously volunteered your time to the museum’s Partnership in Education Program. You are part of a fantastic team giving new experiences to students near and far!
OUR THANKS TO CSHS BUSINESS MEMBERS

THANK YOU to the following BUSINESS MEMBERS who have renewed their membership or joined the Historical Society in 2017. These names are on a portable banner to be displayed at the museum and at other outreach events.

If you have a business, please consider supporting us by joining the Historical Society as a Business Member with a tax-deductible $250/year membership donation. Your membership will be mentioned in our quarterly newsletters and advertised on signage at the Museum & outside events.

Your membership would help to preserve the museum collection, to maintain and improve the museum and its exhibits, and to provide our community with educational programs, exhibitions and engaging social activities.

CSHS BOARD WELCOMES A NEW MEMBER, JUDY STATLER

Judy Statler

Judy was born and raised in California. She grew up in Bakersfield, CA and attended UC Santa Barbara and California State University Long Beach where she completed her graduate work and student teaching. She taught elementary school for 10 years in southern California. In 1980, her husband and she relocated to the central valley where she worked for the Fresno County Office of Education for several years before becoming the Principal and eventually the Superintendent at Caruthers Elementary School District for 14 years. In 1994 she assumed the Superintendent/Principal position at Pine Ridge Elementary and moved to the mountain area of Shaver Springs. She served as a shared Superintendent/Principal with Pine Ridge and Big Creek Elementary School Districts until her retirement. She has served on the Pine Ridge School Board of Trustees since November 2010.

Judy is married to John Statler. They have one son, Ron, who is an attorney in Visalia and resides with his wife and family in Fresno. She has been blessed with two grandchildren, Kara who is 21 and Mitchel who is 19.

As a California native who spent many summers and holidays at Shaver Lake, she has a love for the Central Sierras and its history. She has been active in v.e.s.t since its inception and is on the steering committee for Partners in Education Program (PEP). She brings a wealth of experience working with various Boards for many years as a school administrator and board member and understands the importance of working collaboratively with others to meet commonly set goals and the many facets of strategic planning. She looks forward to continuing to build our “Museum without Walls” where future generations may learn and enjoy.

Thank you for your service to the Historical Society!

If you feel that you can contribute to the good works of the Historical Society as a member of the Board of Directors or as a member of the Board of Trustees, please feel free to contact Lisa Crain at lisacrain@sierrahistorical.org

V.E.S.T. = Volunteer Education Service Team

Our Mission: To create awareness of the Museum and the Central Sierra Historical Society and to provide events and education

Ways to get involved:
* JOIN V.E.S.T.
* Become a Docent
* Help with an event: Ice Cream Social, Annual Fundraising Dinner, Children's Holiday and Summer Crafts
* Volunteer for the Partnership in Education Program: outreach to schools with local education opportunities

We need volunteers to assist us in accomplishing our mission. We need YOU!
Meet new people. Have fun while working to enhance our museum.

Call for more information: Alice Knapp (855-8277) or Mary Warner (841-8781)

DOCENT PROGRAM AT THE MUSEUM

People interested in the history of the Central Sierra and the growth of the museum have been meeting on the 2nd Friday of the month at 9:00 to share ideas and information. Presentations at these meetings have been fun, interesting and educational. There are many opportunities to fit your interest. Whether your interest is specific to an area like railroads, the steam donkey engine or the powerhouse, or maybe you would prefer to greet visitors inside the museum, being a docent has much to offer. We have a very comprehensive docent manual which is available at the office. Bill Donaghy is the contact person for the Docents. If you would like more information, please call the museum and we will put you in contact with Bill.

VOLUNTEER/SUPPORTER APPRECIATION EVENING HELD

Sunday evening, September 10, was a beautiful, warm night to thank all our volunteers and supporters who generously gave their time, energy and talents to the Historical Society in 2017. The evening began at 4:00 with a reception and dinner at the museum’s amphitheater. Mexican food with all the trimmings were catered by Cressman’s General Store. Those in attendance were treated to a special concert with guitarists/singers Keith Crain and Ryan Stewart. President Keith Swinger, and Executive Director, Lisa Crain, thanked the over 50 people in attendance for their services to the society. The evening festivities were planned by Dona Mount and Lisa Crain.

Approximately 5,000 hours are logged yearly by our volunteers. Their time and talents truly make a difference in CSHS operations, allowing us to be more efficient and cost-effective. We are always in need of volunteers who will help us to carry out our mission in preserving the region’s history. You don’t have to be a Shaver Lake resident to contribute your talent, and no experience is necessary – we will be glad to show you what to do and you will have a good time doing it. Please call the museum at 841-4478 to inquire how you can be a volunteer.
STEAM DONKEY IS OFFICIALLY DEDICATED

On Sunday, September 3 our 1905 Dolbeer Steam Donkey was official dedicated to the memory of the late Mike Waters, long-time Shaver Lake businessman, logger and friend. Approximately 75 people attended this special event, including Mike’s family.  Guest speakers were Lisa Crain, John Mount and Patrick Emmert, followed by many fond and funny stories of Mike. A reception followed in the museum media room. A plaque was revealed and is now a permanent structure at the steam donkey. The plaque displays the number ‘16’. This number was Mike’s call number in his truck’s radios.

FALL CARNIVAL 2017

On October 21 we partnered with the Shaver Lake Visitor’s Bureau and Big Creek School to host a fun, family-friendly event, the Community Fall Festival. Close to 300 people attend this free event.

Those who attended enjoyed food & drink booths, hayrides, carnival games, pumpkin decorating, a costume contest for children and more! With the help of Camp Edison, braver attendees took part in a haunted ghost walk through the forest.

ATTENTION SCE CURRENT AND RETIRED EMPLOYEES

As the end of the year approaches, Southern California Edison Company employees, current and past, can financially support the Central Sierra Historical Society & Museum through the SCE Employee Volunteer Incentive Grant Program. This program is available through SCE’s parent company, Edison International.

You can request a cash grant up to $600 per year representing your hours of volunteer service. These hours do not need to be performed at the museum, but you can designate your grant to the Historical Society. Be sure to log your hours by the end of the year and submit your Edison International grant request. It can be done online, or by a simple phone call to them. We are already in Edison’s system as a 501(c)(3) nonprofit organization. If you need help, please feel free to call Becky Davis at the museum (559-841-4478).

Several current and retired SCE employees have taken advantage of this program and designated CSHS as the receiver of the grant. Please consider it. Remember, giving back also includes volunteering!
A new plaque honoring the work of John Eastwood was placed on the trail to the museum’s powerhouse on September 23. The plaque was donated and dedicated by the Dumbellican Brotherhood of E Clampus Vitus in collaboration with Southern California Edison and the CSHS. While the “Clampers” have a reputation of not taking themselves too seriously, they have made quite an impact on the preservation of history and on the organizations they work with. The dedication was the culmination of a four-day excursion into the central Sierra during which the group studied hydroelectric systems, listening to lectures, and exploring the vibrant history of the area while staying at Camp Edison.

**John S. Eastwood**

1857-1924

John Samuel Eastwood, born near Minneapolis, studied engineering at the University of Minnesota. He left to work on the Northern Pacific Railroad before graduating. In 1883 he moved to Fresno, married Ms. Ella Tabor, and advocated for Fresno’s incorporation as a city. In 1885, he was named Fresno’s first City Engineer. After serving for a year in that position, he left to work in the private sector. His early work focused on irrigation, roads, and flumes for logging. In 1895-1896, as chief engineer for San Joaquin Electric Company, he supervised construction of a hydroelectric power system, having the world’s longest transmission line at the time. Absent a dam to control water flow, the impact of a drought forced the company into bankruptcy. He then worked with Henry Huntington’s Pacific Light and Power Corporation (PLPC). Here he identified and developed the Big Creek power system. Later he focused his career on dam development throughout California. He is best known for his work with the PLPC, identifying the upper San Joaquin’s vast hydroelectric power potential, and the development of the thin-shell multiple arch dam.

**CSHS AWARDED $25,000 PUBLIC POLICY GRANT**

We are excited to announce we are the recipient of a federal grant from the Institute of Museum and Library Services (IMLS) as part of their Museums for America Program. The money will be used to conduct a series of workshops that will help participants articulate the historical effects of fire, regulations, cultures, and climate change. It is our hope to educate legislators, policy makers, active resource managers, and the general public about proper forest management and its importance for the future. This series of workshops has long been a part of the museum’s future planning and will take place next fall through September and October.

The mission of CSHS is to enrich the cultural and educational experiences of visitors to the Sierra Nevada Mountains by deepening their understanding of the human and natural history of the area. CSHS hopes to inspire future generations by bringing to life the challenges and achievements of the people who lived here. If you would like more information about this topic, please contact Lisa Crain at (559) 841-4478 or email her at: lisacrain@sierrahistorical.org
CSHS PARTICIPATING IN ASSESSMENT PROGRAM

We are pleased to announce we have been selected to participate in the Museum Assessment Program (MAP), which is administered by the American Alliance of Museums. Through guided self-study and on-site consultation with a museum professional, participation in MAP will empower the organization to better serve the citizens of the area and visitors to the museum by facilitating its meeting and exceeding the highest professional standards of the museum field.

The museum’s participation is made possible through funding provided by the Institute of Museum and Library Services (IMLS). MAP helps museums strengthen operations, plan for the future, and meet standards through self-study and a consultative site visit from an expert peer reviewer.

The CSHS has chosen to do a MAP Organizational Assessment to ensure that the operations and resources align with our mission, prepare for museum accreditation, and support sustainability.

Since its creation in 1981, the MAP program has served over 4,600 museums. MAP is supported through a cooperative agreement between AAM and IMLS. For more information, visit www.aam-us.org/map. AAM is the only organization representing the nation’s entire museum community and has been dedicated to promoting excellence within the museum field for over 100 years. The Institute of Museum and Library Services is the primary source of federal support for the nation’s 123,000 libraries and 35,000 museums. To learn more, visit www.imls.gov

‘PROTECT OUR FOREST’ SIGN GETS FACELIFT

THANK YOU to CSHS members Judy & John Statler, Alice & Robert Knapp, Linda Clague and Cissy Van Vleet for all your hard work restoring the “Protect Our Forest, Your Future Home” sign that is on the museum grounds. The sign says, ‘San Joaquin Valley Hoo-Hoo Club No. 31’. The International Order of Hoo-Hoo Club was founded in 1892 in Gurdon, Arkansas by a lumber salesman affiliated with sawmills and retail lumber stores. It grew to contain many chapters throughout the country. Chapter 31 was the local Fresno area chapter and the President of Chapter 31 owned a cabin on Dinkey Creek Road, where this sign was located. Upon the sale of his cabin in 2002 the sign was moved to Pine Logging Camp and at that time local Shaver Lake resident, Joe Ubbink, restored the paint. The weather had taken its toll on the sign and in 2016 it was moved to the museum grounds. We are looking for a volunteer who would like to construct and install legs for the sign. For more information about the International Order of Hoo-Hoo Clubs, please visit www.hoohoo.org

MEMORIAL DONATIONS

We hope you will remember the Society when you are planning your estate, or as a fitting means of honoring a departed friend or loved one.

Jim Iskenderian
Rich McMahan
Emmons Sebenius
YOU CAN SUPPORT CSHS BY SHOPPING LOCALLY THIS HOLIDAY SEASON!

The Central Sierra Historical Society has partnered with eScrip, the original and largest “electronic scrip” fundraising program.

**What is eScrip?** eScrip has created a system that rewards customer loyalty by contributing a percentage of purchases made by participating families to the Historical Society. We encourage you to register your grocery club cards, existing credit/debit cards, or phone numbers as supporters. A percentage of all purchases made at eScrip merchants will be given back to us.

**How Does eScrip Work?** Participating merchants such as SaveMart, MarVal, Lucky, Food 4 Less, FoodMaxx, etc., contribute each time your family makes a purchase using their registered card or phone number. There are no receipts to collect, no vouchers or certificates to buy, no hassles for you and every purchase counts.

Sign up with eScrip and you can earn $150 annually for our group.

Sign up online. It’s quick and easy!

eScrip works with merchant partners to contribute to groups like ours each time you shop – at no cost to you!

1. Go to [www.escrip.com](http://www.escrip.com)
2. Click on “sign-up”
3. Follow the instructions to register your grocery cards, your existing credit/debit cards, and your phone number.

It’s Easy! It’s Free! It’s Powerful!

Your annual contribution potential:

<table>
<thead>
<tr>
<th>Category</th>
<th>Contribution</th>

<tr>
<td>eScrip Online Mall</td>
<td>$50</td>
</tr>
<tr>
<td>eScrip Dining</td>
<td>$24</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$170</strong></td>
</tr>
</tbody>
</table>

Over $150 annually!

Visit [www.escrip.com](http://www.escrip.com) and click on “Family of Merchants” for a location near you!

During the registration process, you will be asked to select our organization. Enter: Central Sierra Historical Society (ID # 500043099) and select it.

This is a great way to support CSHS as eScrip contributes up to 3% of your qualified purchases to our organization.
SUPPORT US WHEN SHOPPING ON AMAZON THIS HOLIDAY SEASON

BUY YOUR GIFTS AND HOLIDAY ESSENTIALS AT SMILE.AMAZON.COM

YOU SHOP... AMAZON DONATES

What is AmazonSmile? It is a simple and automatic way for you to support CSHS every time you shop, at no cost to you. When you shop at smile.amazon.com, you’ll find the exact same low prices, vast selection and convenient shopping experience as Amazon.com, with the added bonus that Amazon will donate a portion of the purchase price to us.

How do you shop at AmazonSmile? To shop at AmazonSmile simply go to smile.amazon.com from the web browser on your computer or mobile device. You may also want to add a bookmark to smile.amazon.com to make it even easier to return and start your shopping at AmazonSmile.

Which products on AmazonSmile are eligible for charitable donations? Tens of millions of products on AmazonSmile are eligible for donations. You will see eligible products marked “Eligible for AmazonSmile Donation” on their product detail pages.

Can you use your existing Amazon.com account on AmazonSmile? You, you use the same account on Amazon.com and AmazonSmile. Your shopping cart, Wish List, wedding or baby registry, and other account settings are also the same.

How do you select CSHS to support when shopping on AmazonSmile? On your first visit to AmazonSmile (smile.amazon.com), you need to select Central Sierra Historical Society & Museum to receive donations from eligible purchases before you begin shopping. Amazon will remember your selection, and then every eligible purchase you make at smile.amazon.com will result in a donation.

How much of your purchase does Amazon donate? The AmazonSmile Foundation donates 0.5% of the purchase price from your eligible AmazonSmile purchases to CSHS. The purchase price is the amount paid for the item minus any rebates and excluding shipping & handling, gift-wrapping fees, taxes, or service charges.

Can you receive a tax deduction for amounts donated to CSHS from your purchases on AmazonSmile? Donations are made by the AmazonSmile Foundation and are not tax deductible by you.

DON’T FORGET THE MUSEUM FOR YOUR HOLIDAY SHOPPING

Holiday shopping is right around the corner. The museum gift shop offers a variety of books, oral histories, DVD’s, note cards and postcards, unique gifts, and clothing. We also sell items made by local artists. The museum will be open Friday-Sunday from 11:00 to 3:00 until December 10. We are currently having a huge clearance sale on many items! Support the museum, and while you’re there make sure to check out all the new displays.

Another great way to support the museum is by giving your friends and loved ones a yearly membership. It makes an excellent gift! Call the museum office for details.

SUGGESTED OPPORTUNITIES FOR SPONSORSHIP

Have you wished you could have a lasting impact on the Museum of the Central Sierra? Here’s your chance…. Donations are appreciated to fund the following projects:

1. Restoration of the Shaver Lake Volunteer Firetruck
2. Computer topo map projection display.
3. Floor matting for Caboose floor.
4. LED lighting for Caboose snow shed, Steam Donkey snow shed, and Mack Truck building.
5. Installation of fence enclosure around the Steam Donkey.
7. Security cameras for Museum building and all outdoor exhibits.
8. Shade awning for the Museum patio.
9. Restoration of an Alison Steam Boiler/Engine Mining Exhibit.
10. Emmert Stamp Mill Project.
11. Flume exhibit and tender’s cabin.
12. Restoration of the Musick Mountain Steam Donkey.

Please call Lisa Crain at 841-4478 for more information on how you can sponsor one or more of these projects.
